Debut album "The Delayed" (2025)

Doom Charts #32 · June 2025

ECLIPSED & POWER METAL: 8/10

#32 Best Heavy Rock Albums 2025 (Vegas Rock Revolution)

Since their beginnings in a garage, The Delayed have evolved from their Retro Rock roots into a distinctive voice in Heavy Psych, Proto-Doom, and Blues Rock. With their unfiltered, introspective style and a clear nod to the '70s, they create music that runs deep – raw, emotional, and honest.

BIO

Their inspiration draws from the dark and beautiful facets of life: love, rebellion, war, world-weariness, and the abysses of the human soul. Their music merges the best of past and present: long, improvised solos meet socially critical lyrics, while their songs unfold a deep, meditative pull.

Whether dark, psychedelic, or rebellious – the music of The Delayed stands as a counterpoint to the superficiality of modern times. With their authentic, raw live presence, The Delayed are more than just a band – they are an experience.

Their self-titled debut album was released in June 2025. It reached #32 on the Doom Charts (June 2025), was featured on The Doomed & Stoned Show and rated 8/10 by German ECLIPSED Magazine, calling it "impressive for a debut". With Simon Matzer on bass (since 2025) and Matthias Wenig on drums (since March 2026), the band is playing Keep It Low Festival in Munich and PsyKa Festival in Karlsruhe in 2026 – and working on new material.

PRESS

"Love, love, love this [...] this band does an amazing job. [...] There's so much good stuff coming out of Germany and here we are with THE DELAYED."

John Gist – Vegas Rock Revolution / The Doomed & Stoned Show

"Every month there's an underdog band that I never heard of lurking amongst my favorites of the month – and this month it's this band: THE DELAYED."

Bucky Brown – The Doomed & Stoned Show / Doom Charts

"I hear kind of the GRAVEYARD side of things [...] mixing it with the 70s riff and rhythm that I love so much about that era. It's definitely got a really nice vibe."

Billy Goate – The Doomed & Stoned Show / Doom Charts
